IMMEDIATE NEWS RELEASE

From: Dave Clabaugh, Manager
Lower Big Blue NRD

**VACANCY FOR LOWER BIG BLUE NRD
DIRECTOR SUBDISTRICT TWO**

The Lower Big Blue Natural Resources District is accepting applications to fill a vacancy on its board. A director is needed for the unexpired term for Subdistrict two. This area includes the southwest corner of Gage County and all of Jefferson County. A map of the Subdistrict is available from the NRD Office. To be eligible for this position, the applicant must reside in Subdistrict two and be a registered voter. The vacancy exists because the former director, Jim Damrow, has moved out of the Subdistrict. This term will expire in January 2022. Applications will be accepted until February 17, 2021.

The thirteen directors of the district determine programs and projects for flood control, groundwater quality, groundwater quantity, soil and water conservation, public recreation, tree planting, and fish and wildlife habitat. Directors receive a per diem for each meeting they attend and are reimbursed for actual expenses incurred while on official NRD business. The board meets monthly on the last Thursday of the month in Beatrice.

Application forms are available at the Lower Big Blue NRD office at 805 Dorsey Street, Beatrice, Nebraska. Applications can also be found on the NRD's web site at www.lbbnrd.net. For further information, contact the NRD at 402-228-3402. To be considered, applications need to be returned to the NRD by 5:00 p.m. on February 17, 2021.
