

## Assur Clean Commitment

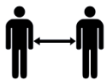

### Keep Moving Forward Safely

K&S Charter/Tours is committed to the safety of our customers and employees to prevent the spread of COVID-19. K&S Charter/Tours has taken the necessary steps by getting certified and trained through our Assur Clean Program. This program trains all employees on prevention strategies. Such as Proper Hand Washing Practices, Social Distancing and Seating Arrangements, Proper Use of PPE Equipment, Cleaning and disinfecting of the buses.

### Cleaning and Safety Guidelines

- All Vehicles will be cleaned thoroughly first, then sanitize with our steam clean system approved by the CDC Center for Disease Control
- All surface in restroom will be cleaned thoroughly entrance rails, arm rest, head rest and hand rails will be cleaned before and after each use
- Hand sanitizers are located at the front entrance and rear of each bus
- The driver will use disinfectant products during the duration of the trip

### Stay Safely Distanced

- K&S drivers are trained in social distancing protocols and will practice necessary techniques throughout your trip.
- Always maintain physical distancing as you enter and exit the motor coach
- All passengers are required to wear mask while on the motor coach
- A barrier is placed directly behind the driver seat for social distancing
- We ask that all passengers keep the first set of seats open
- If you are sick please do not travel

*"We are committed to providing a safe travel experience to our passengers and drivers."*
