**NOW IS THE TIME TO TAKE ADVANTAGE OF  
THE MOVE IN SPECIAL.**

Belfair offers assisted living services in McAlester, Oklahoma that are personalized to the needs of each resident. In conjunction with our memory care services, our community s designed to have residents stay in our community as they age. We know that many residents in assisted living desire to remain as independent as possible for as long as possible. Our health and wellness team is well-trained and fully equipped to meet a wide range of senior needs, while also encouraging residents to maintain their independence. We are committed to respecting individuality ad helping residents with activities of living in a way that promotes dignity and preserves privacy. Our team will conduct initial and ongoing assessments to ensure that each resident is receiving the appropriate level of care. Life is all about balance, and we will work around the clock to keep the ratio of care ad independence at a level right for that resident.
