Your Pastor's Thoughts

Dear Church Family,

As we move into the month of July I want to share where we are in our plan of "re-opening" in regards to our services and activities. As of this past Sunday we had our last drive-in service.

We are going to keep our 10:30 a.m. service time for now and continue to stream it on Facebook live as well. We have begun to offer childcare for children two and under during the service. Beyond that I do not believe that we are ready to add more gatherings at this time considering the Coronavirus cases here in our county has increased drastically over the last week. The next step will be to add a Wednesday night activity or Sunday morning large group Bible Study. I want to encourage everyone to be intentional about social distancing when we are together. We want to continue to show our love to each other by seeking to keep each other safe. My hope is that this period in our lives would drive us to Christ for His help, comfort, and courage! We don't have to fear the moment because we know that future!

In Christ, Pastor Pete

From Jess Motes, Youth Leader

On June 26th, the youth and I returned from the Ormond Beach Retreat. This is a youth conference that was full of fun and wisdom. During this conference we were able to grow closer to each other, but also grow closer to God. We learned that it is not us who lives, but Christ who lives in us when we are Christians. This was an extremely impactful event for all who were involved. I want to thank each one who helped to support this trip and encourage you guys to ask the youth how there trip was and what they learned!

Sunday Morning Sermons will continue through Romans as planned.

The Church office is still open Monday – Thursday
9:00 AM to 12:00 PM. Call if you need anything.
We have contacts for all types of assistance.

Buildings and Grounds Committee members are actually anyone working on maintenance, renovation and upkeep of all church property. Which include all members of this church. There are lots of things needing to be done. We always have an active list of small and large jobs such as installing a door bell to painting a class room or installing a larger mailbox. It does not have to wait for a scheduled workday either. Just let the office staff know you want to help and we will be sure everything is here to get it done. Thank you.

Stay Safe
