Welcome to the 58TH Annual Portland Auto Swap Meet

The 58th annual presentation of the Portland Auto Swap Meet is brought to you by the many fine volunteers of six Portland Car Clubs: Beaver Chapter Model A Club, Historical Auto Club of Oregon, Rose City Model T Club, Vintage Chevrolet Club-Columbia River Region, Horseless Carriage Club of America and Early Ford V8 Club of America. Over 300 volunteers help bring this quality event to you each year. We thank you for your participation and joining us today.

A brief history of the Portland Auto Swap Meet:

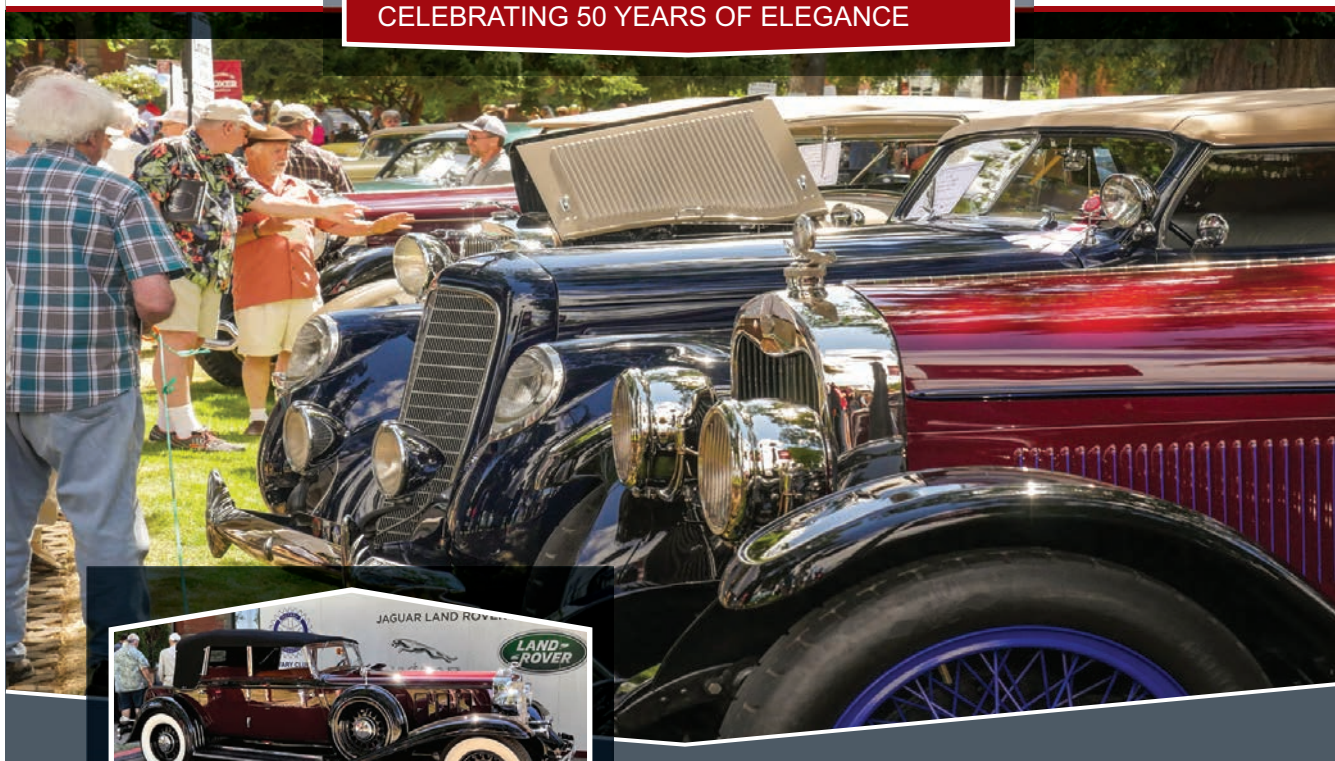

- The first swap meet was held on February 23, 1964 at Alexander Motor Co located at 2340 NE Sandy Blvd. Portland, Oregon.
- The second swap meet was held February 20 & 21, 1965 at a building located at 808 NW 16th. Portland, Oregon. Rose City Model T Club and HCAA co-chaired the event.
- The 1966 Swap Meet was held at Joe Fisher Ford on March 5th & 6th.
- In 1967, the Swap Meet was held in a warehouse located near NE 181st and I-84.
- 1968 saw the Swap Meet expanded to include HACO, Rose City Model T Club, Vintage Chevrolet, Horseless Carriage and Beaver Chapter Model A.
- The 1969 Swap Meet was held on March 1st & 2nd in a warehouse in Beaverton.
- The 1970 Swap Meet was moved to the Expo Center where it remains today.

Thank you vendors, customers, sponsors, advertisers and volunteers, each of you helps make the Portland Auto Swap Meet a success. We appreciate your continuing support.

See you in 2025!

In Support of Our Community...

Portland Auto Swap Meet sponsors Auto Tech Scholarships

The Portland Auto Swap Meet is committed to building a better community in which we live. Beginning in 1990, the Portland Swap Meet began funding a scholarship for students pursuing a career in the auto tech field. The contributions started funding scholarships and eventually the scholarships were fully endowed. The four participating schools are Portland Community College, Clackamas Community College, Mt. Hood Community College and Clark College. Each school set criteria for students applying for the scholarship. In general, the scholarship is available for any student accepted in any of the automotive programs. Students must maintain an acceptable GPA and demonstrate a financial need.

Portland Community College was the first school to receive funds from the Portland Swap Meet in 1990. Over the years, the Swap Meet has donated \$28,055 to endow the Portland Community College scholarship. In 1993, Clackamas Community College began receiving funding and has received a total of \$24,907. In 1995, Mt. Hood Community College was added to the Portland Swap Meet Scholarship funding. Mt. Hood Community College now has an endowed scholarship totaling \$28,000. Clark College in Vancouver Washington began receiving funding in 2000 and now has an endowed scholarship totaling \$28,000. In total, the Portland Swap Meet has given \$108,962 to the four schools for the purpose of endowing the Auto Technology scholarships.

The four schools currently award annual scholarships of \$1000 minimum. Recent scholarship honorees have received scholarships of \$2000. In some instances, the annual scholarship is divided and awarded to more than one student depending on the need. The scholarships have assisted dozens of students pursuing a career in the auto tech field.

The Portland Swap Meet is honored to have been able to endow the four scholarships and contribute to the next generation of auto technicians. The Portland Swap Meet looks forward to continuing our longstanding relationships with all four schools.

YOUR ONE STOP SHOP FOR FLEET SERVICES

Established in 1988, Pacific Service Center has become a leading independent service company in the Pacific Northwest by offering unparalleled fleet service solutions. In the early years, PSC focused on repairing rental truck collision damage and quickly built a reputation for providing quick service at a reasonable price.

PSC broadened its portfolio over the years to better meet the needs of the market and customers. In 2008, PSC began this mission by introducing graphics services and, responding to customer demand, launched a mechanics division in 2010 focusing on small fleet repairs. Further expansion in 2014 saw the addition of an upfitting division to assist customers with interior van equipment, flat beds, and service bodies for their fleet vehicles. One thing has been consistent since 1988, pick-up and delivery to make repairing vehicles easier for our customers.

In today's fast-paced and ever-evolving business landscape, the efficiency and reliability of your fleet significantly impact operational success. Pacific Service Center stands at the forefront of this, offering a trusted partnership for businesses aiming to optimize their vehicle fleets. Our comprehensive service offerings include mechanical and collision repairs, custom paint jobs, eye-catching graphic branding, and personalized shelving and racking solutions.

With seven distinct divisions, our expert technicians specialize in transforming vans, trucks, and trailers into high-performing assets that contribute to the smooth operation of your business. Whether seeking functionality enhancements, reliability maintenance, or a new look, Pacific Service Center provides expert solutions designed to elevate your fleet's performance and appearance. By choosing us as your fleet service partner, you invest in top-notch services, competitive pricing, and a commitment to quality. Visit or call now to see how we can serve your fleet needs with expertise and dedication.
