Program “Discipline Exclusion” Policy

Attendance at the **KidsCare** program is a privilege, and therefore, the **KidsCare** program reserves the right to exclude any participant from any or all **KidsCare** program(s) for any behavior deemed inappropriate by staff members and program officials. Furthermore, the **KidsCare** program reserves the right to immediately remove and exclude any child from any or all **KidsCare** program(s) who poses a direct threat to the safety and welfare of others in the **KidsCare** program. In such cases, all monies paid on a child's **KidsCare** account will be completely **non-refundable**.

Program Registration

Registration for the **KidsCare** program will begin during the month of June. Early registration is strongly encouraged since spaces are limited and program enrollments fill up quickly. However, regular registration can occur at any time during the school year, space permitting.

All full-time and part-time registrations must be accompanied by the required **non-refundable** program registration fee (see Program Locations/Fees).

Registration and all required forms must be completed prior to the child's first day in the program. Once a student is registered, any enrollment change requests will be subject to a \$25 processing fee for each request.

Program “Sick Day” Credits

The **KidsCare** program will allow sick day credits for **part-time participants only** according to the following policy:

No credit will be extended for sick days except for a child requiring hospitalization or suffering from a contagious illness. In these cases, a physician's note will be required prior to the approval of the sick day credit.

Program Fee Payments

KidsCare program fees for full-time enrollment are calculated on a yearly basis and divided into 9 equal payments. Monthly fees are not based on the number of program days per month.

All monthly KidsCare tuition fees must be pre-paid and are completely non-refundable regardless of reason.

Tuition fees for each program month are billed on or near the 20th of the preceding month, and are payable by the 1st of the month of service. A “Late Fee” of \$40 is automatically charged to any accounts not paid in full by the 5th of the program month for which the tuition fee is billed.

All late “pick-up” charges, fees for late payments, and returned check fees are payable in full upon receipt. In addition, the **KidsCare** program reserves the right to exclude any child from the program due to “unpaid” or “past due” monthly tuition fees.

Monthly statements will be mailed to all program participants. Fees may be paid by Check, Money Order, or Credit Card (VISA, MasterCard, Discover).

No credits will be allowed for any unattended days, regardless of reason. Full-time participants will receive no credit for program days cancelled due to inclement weather.

Program “Child Pick-Up” Policy

Children must be signed out and picked up prior to the 6PM closing time. Late pick-up incidents are subject to be billed at \$5 per every 5 minutes. For determining the *official time*, the KidsCare staff use the school's cafeteria clock.

Children will only be released to parents, legal guardians, or designated persons 18 years of age or older, listed on the **Student Emergency Information/Emergency Release/Student “Pick-Up” Authorization Form**.

Identification will be required of any person picking up a child other than the parent or legal guardian. If any doubt exists, the child will not be released into the person's custody and the parent will be notified. Please carefully read the **Student Emergency Information/Emergency Release/Student “Pick-Up” Authorization Form** for further details.

Program “Student Absence” Notification

It will be the responsibility of the parent or legal guardian to notify the **KidsCare** office if their child will not be attending the **KidsCare “PM”** program due to illness or other reason. If your child is scheduled to attend the **KidsCare “PM”** program, and fails to report to the program as scheduled, and attended school on that day, and no parent notification is received, the **KidsCare** staff will contact the parent and/or emergency contacts to verify the whereabouts of the child.

“After-School” Snack

The **KidsCare** program will provide each child with a small after-school snack. Any food allergies should be recorded on the child's **Student Emergency Information/Emergency Release Form**.

Program “After-Hours” Telephone

Should it be necessary for a parent or legal guardian to contact the **KidsCare “PM”** program while it is in session, parents will be able to contact their child’s **KidsCare** program directly. Program telephone numbers will be provided to parents prior to the start of each school year.

Program “Emergency Information” Policy

All children participating in the **KidsCare** program will be required to have an updated **Student Emergency Information/Emergency Release/Student “Pick-Up” Authorization Form** on file at all times. This form is required and must be completed and signed by a parent or legal guardian prior to a child’s admittance into a **KidsCare** program. Refusal of parents or legal guardian to sign this form will automatically void all registrations and monies will be refunded.

It is the responsibility of the parent or legal guardian to assure that KidsCare officials and program staff members are alerted about special health and/or medical considerations concerning their child.

Parents of children who are highly sensitive to bee stings and/or have any other severe allergy will be required to complete a Severe Allergy “Action Plan” and to supply any special medicines as required by program officials.

Due to the time of day at which the program is held, **no medication will be dispensed by program staff members.**

Health Examination Reports (Required)

The Commonwealth of Pennsylvania mandates health examinations for all children upon entry into school. Child Care licensing requirements by the Pennsylvania Department of Human Services also require a health “physical” examination upon entry into the **KidsCare** program.

Therefore, all “new” children to the **KidsCare** program are required to submit a health “physical” examination form, with a physician’s signature/stamp, including immunization record, to the **KidsCare** program. A **Child Health Assessment** form is included with this portfolio, and extra forms are available from the **KidsCare** office. Failure to comply with this requirement within 30 days of enrollment will result in the child not being permitted to continue in the **KidsCare** program.

Program Snow Closing/Delayed Opening/Early Dismissal Policy/ Non-Weather Related Emergency Closings

All **KidsCare** programs will not operate when schools are closed due to inclement weather for the day.

Should schools have a one or two hour “delayed opening”, the KidsCare “AM” program will start one or two hours late depending on the length of the delayed opening.

The **KidsCare “PM”** program will operate on **Snow “Early Dismissal” Days** should schools dismiss early for inclement weather and will operate until the regular 6PM closing time. Parents are requested to pick-up their child(ren) as early as possible on these days.

Additionally, KidsCare reserves the right to close its KidsCare “PM” program at 4PM on Snow “Early Dismissal” Days when severe and extreme weather conditions exist or are predicted.

Should a non-weather related situation arise causing schools to be dismissed early, **KidsCare** will adhere to the decision of the School District regarding the operation of the **KidsCare “PM”** program. Should the School District decide that **KidsCare** should open its **KidsCare “PM”** program at the start of early dismissal, **KidsCare** will immediately implement the procedures indicated on the enclosed **Emergency Contact Form**, and the **KidsCare “PM”** program will operate until all children have been safely picked up by their parents or designated “pick-up” persons. Should the School District decide that **KidsCare** will not be allowed to operate, children will be dismissed according to each school’s emergency early dismissal plan.

Photo Release Policy

Attendance of a child at **KidsCare** implies and grants the parents’ and/or guardians’ permission to **KidsCare** officials the right to use, reproduce, and/or distribute photographs of their child participating in **KidsCare** activities, without compensation or approval rights, for use in materials created for purposes of promoting the activities of **KidsCare**.

Court Orders Affecting Students

In situations where an enrolled student is the subject of a court order (Custody, Restraining, Protection or other) **KidsCare** must be provided with a copy of the most recent order and amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In a case where both parents have joint/shared custody by order of the court, both parents must sign the request.

In the absence of a court order on file with **KidsCare**, both parents shall be afforded equal access to their child as stipulated by law.

Inclusion

Our early childhood instructors use developmentally appropriate practices and consider the unique needs of all children when planning. Staff will make every attempt to make any adaptations or modifications necessary to meet the needs of the children. Schedules, routines and activities are flexible and staff will work with therapists, special educators and other professionals to integrate individual accommodations, modifications and strategies into classroom routines and activities. Any adaptations will be reviewed with families and other professionals supporting the child.

Our responsibilities for providing care to children with disabilities is fundamentally different than the obligations of the public school and that while we will review and assist any wrap-around programs with the implementation a child's IEP, we are not required to provide services outlined in any child's IEP as we are not considered an education institution under IDEIA laws. We are required to provide reasonable accommodations under ADA laws only. Parents are welcome to discuss the reasonable accommodations that can be made for their special needs child.

Parents are asked to provide IEP information and information regarding any one-on-one or therapeutic services the child receives etc. to the director at registration and we ask that you supply us with the IEP if you have one. If your child has a one-on one at school, please let us know.

Program Activities and Events

Each child attending the **KidsCare** programs will participate in a daily program consisting of a flexible and varied schedule of activities. The basic program components are as follows:

KidsCare "PM"

- **Arrival/"Cool-Off, Warm-Up" Activities**

This activity period gives the participants an opportunity to "shift gears" and relax from their busy day of school by choosing from a selection of high interest activities that help to reinforce learning, as well as to promote social interaction, self-mastery, creativity, and enjoyment. These activities will include, but are not limited to the following:

Table-Top Games

Students participating in "Homework Helper" work with the assistance of **KidsCare** staff in a quiet area of the **KidsCare** program, a school classroom, or the school library, away from the regular **KidsCare** program.

It should be understood that this homework period does not replace a regularly established study and homework time at home when parents can review the day's lessons and review homework activities with their child and insure that it is completed as required.

- **Enrichment Activities**

Each participant will be given the opportunity to participate in one or two enrichment or specially planned activities daily. These educational and enrichment activities are based on a monthly thematic unit, and will give participants the opportunity to enrich their experience of the world around them, while reinforcing literacy (reading, writing, listening, observing, and speaking), mathematical, scientific, and social studies skills acquired in the classroom. These activities will include, but are not limited to the following:

- **"Warm-Up"/Supervised Creative Play**

Considering the time of day, the **KidsCare "AM"** program provides for children who need extra time to "wake up" or "slowly get into" the upcoming day's schedule. This phase of the before-school program allows children to gradually work into program activities, and enables them to simply rest, read a quiet book, participate in quiet, creative play by themselves or with a couple of friends, engage in an activity center, or relax and chat with a friend.

- **Enrichment Activities**

Each participant will be given the opportunity to participate in one or two specially planned activities daily. During this time, each child will be given the opportunity to “check” their homework assignments for completeness and accuracy, and to prepare for the day’s educational program.

It should be understood that this homework “check” does not replace a regularly established study and homework time at home where parents can “review” school assignments and homework activities with their child and insure that it is completed as required.

“Half-Day” Program

KidsCare will operate a “Half-Day” Program on teacher “in-service” half-days which are scheduled regularly throughout the school year, as well as parent-teacher conference early dismissal days scheduled for the Fall and Spring. “Half-Day” Programs start at the time of early dismissal and end at the regular 6PM closing time. The “Half-Day” Program is automatically included in the full-time KidsCare “PM” enrollment option. Those registered in other KidsCare programs who desire to attend the “Half-Day” Program must also select the “Half-Day” Program enrollment option on the **Registration Form/Child Care Contractual Agreement**. Enrollment in the “Half-Day” program is only available to students enrolled full-time or part-time in the KidsCare “AM” or KidsCare “PM” programs.

We will have Half-Day programs from 11:50 AM to 6:00 PM on November 21st, November 22nd, February 17th, April 20th, May 26th, June 9th, and June 12th at each of the regularly scheduled program sites.

“Day-Off” Program

This service provides working parents with the opportunity to enroll their children in an extended-day child care program on days when the schools are closed for teacher in-service days, parent conferences, and other school holidays. The “Day-Off” Program opens at 7AM and continues to 6PM. Children can be dropped off and/or picked up at any time throughout the program day.

The KidsCare “Day-Off” Program features a program similar to its KidsCare “AM” and KidsCare “PM” programs, but with the flair of a summer day camp program.

The schedule of “Day-Off” Program is listed on the “Day-Off” Program Information/Registration Form included in this portfolio.

Enrollment in the “Day-Off” Program will be on an as needed basis (see “Day-Off” Program Information/Registration Form for specific guidelines). Advanced registration is needed. KidsCare reserves the right to refuse walk-ins.

Cancellation of Day-Off registrations must be made at least 1 week prior to the actual Day-Off date, otherwise the Day-Off fee will not be refunded.

There will be a supplemental charge of \$15.00 for any student who arrives without having been registered in advance.

Program Themes, 2022-2023

During the 2022-2023 school year, KidsCare will be exploring the rich diversity and beauty of our incredible planet Earth through our year-long theme ...

Around the World in 180 Days

... using our school year to explore our seven continents and five oceans
...looking at the natural wonders of mountains, rivers, glaciers, and lakes
...observing the extraordinary architectural superstars made by humans
...checking out the many cultures across our globe and the diversity of animals on land and sea

September - North America: Getting to Know More About our Continent

We'll be exploring from Greenland to Panama and Alaska to Trinidad and Tobago. We can try Scrimshaw from Greenland to record a memory or make Inuit goggles that reduce sun glare. We might play broom hockey or make pancakes with maple syrup as we think about Canada and the USA. We could make pony bead chili peppers as we head south of the border or make a Mixtec Codex to help us to learn about the Mixtec Indians of Central America. We could check out the Panama Canal and make a Mola of Panama's Golden Frog. To inspire our future architects, some fabulous buildings to see along the way are the Chateau Frontenac in Quebec, Canada, and El Castillo at Chichen Itza.

October - South America: More Than Just the Rainforest

We'll learn about the Rainforest and all its beautiful animals, the Amazon River, and the global impact it has on the world environment. Maybe a friendly game of Rainforest bingo will introduce us to the names of some of the animals. The Andes mountain chain has its own wildlife and gives us a reason to learn more about llamas as we make llama piñatas. How about stopping and seeing the natural wildlife of the Galapagos Islands? We can paint pictures of some of the beautiful waterfalls, like Iguazu Falls, one of the 7 natural wonders of the world, and Angel Falls in Venezuela, which are the highest waterfalls in the world.

November - Africa: A Safari Through Deserts and Jungles

Starting in the northern part of Africa, the Sphinx and the Pyramids are on the west bank of the Nile River, and we could construct a version of them. Perhaps making some kind of sand art would help us remember the massive Sahara Desert. On the east side of Africa, Tanzania is where Mount Kilimanjaro stands, inspiring young artists to capture its magnificence in a picture. Plus, there are so many animals to learn about. Did we mention Benne Cakes and fried plantains to sample? Trying some games like African Handball, Clap Ball, and Catching Star could also be fun!

December - Europe: A Fascinating Blend of Ancient and Modern

We will take a holiday tour to see the fascinating architecture, taste foods from different countries, and explore the natural beauty. We can create our own version of the Eiffel Tower. We might make some Finnish juice pudding, some pizza or crepes. Then, we'll paint some of the wildlife of Sweden and the fabulous northern lights. Our crafty kids can make a Luck of the Irish Mobile, an Italian Mosaic or do some Polish paper cuttings. Perhaps we'll make a model of a castle we'd like to build. We may even create a volcano in honor of Pompeii.

January - Polar Opposites: The Differences between the North and South Poles

This month we will be exploring Antarctica and the Arctic. We'll look at the wildlife that exists in these regions and compare which animals live at each pole and which are found at both. We'll do some experiments with ice and learn about glaciers. Making penguins and polar bears will give the artists and crafters a chance to shine. We could also make snow globes to capture the beauty of these ice sculptured worlds. For extra fun, we might create an adventurer's game using trivia to get us from the North Pole to the South Pole.

February - Exploring the Middle East and India: From Deserts to Jungles

We'll learn about seven animals found only in the Middle East and ten animals from India. We can make beautiful peacock or flamingo pictures. We can check out some ancient and modern buildings like Petra, the Taj Mahal, Burj Khalifa, and the National Assembly building. We can learn about the spices of India by smelling and tasting them and maybe make some cookies using them. Plus, we might try some foods like Hummus, Tahini, Falafels, and Naan. We may even check out Bollywood. Do you want to dance?

March - Visiting the Famed Far East: Exotic Lands and Ancient Architecture

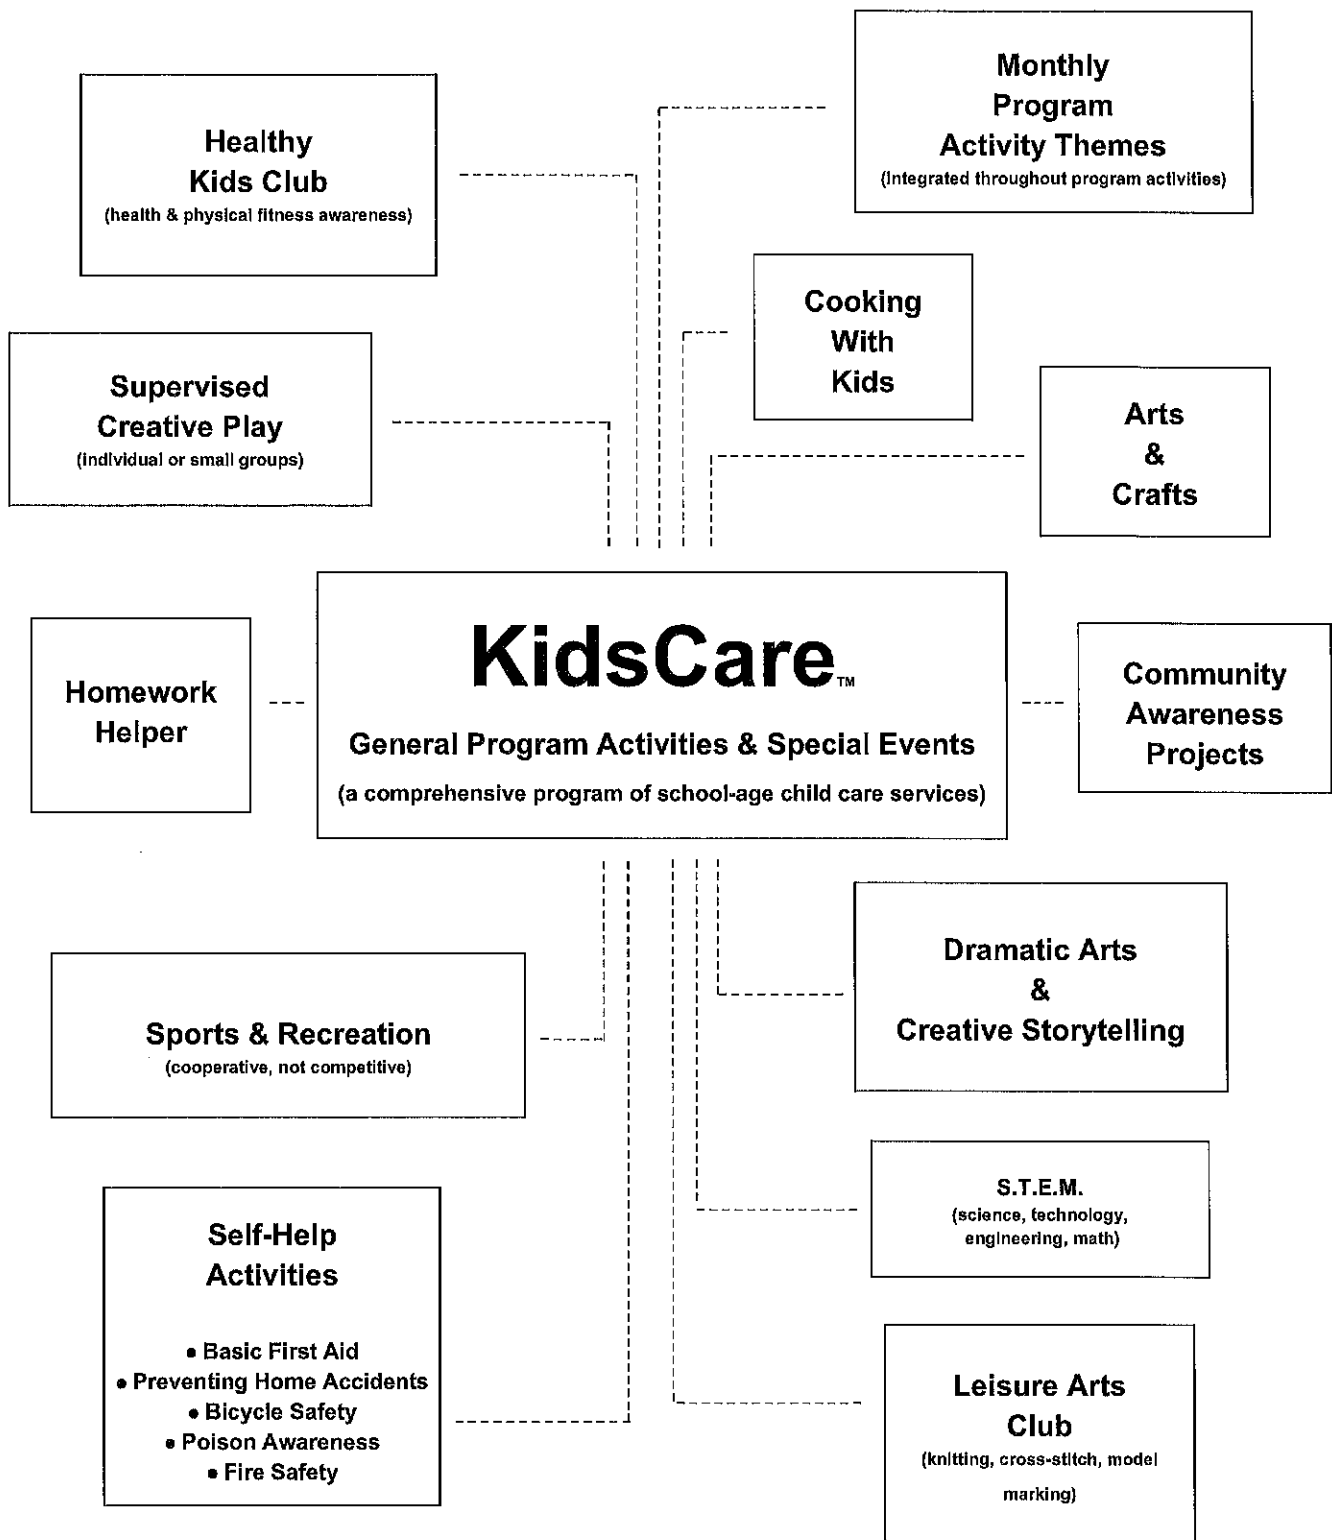

On our imaginary visit to different places, it would be fun to have a souvenir like a Merlion from Singapore, a Samauri helmet from Japan, or a Tet Trung Thu Lantern from Vietnam. We'll check out the Great Wall of China and the Forbidden City and Mount Fuji in Japan. We might make a Karesansui Mini-Garden and let the moving of the sand and stones relax us. We could also try our hands at folding origami cranes.

April – Amazing Australia: Exploring the “World Down Under”

In the Land Down Under, we can draw the Sydney Opera House or make a diorama of a Coober Pedy home built underground to avoid the desert heat. We might do some weaving to remind us of the Merino sheep. Aboriginal people are an essential part of Australian culture, so could create a didgeridoo and listen to the sounds a real one makes. Then, maybe we'll try our hands at painting in the aboriginal style. Additionally, we'll explore the many unusual animals of Australia, from the cute Koalas, to the poisonous snakes and spiders. Have you ever heard of a Platypus?

May and June – Oceans: Awesome Adventures Under the Waves

We'll learn the names of the five oceans of our world. As we dive deeper into them, we will find some common as well as some unique animals. We can do some map studies to learn about currents and begin to understand how a bottle with a message in it that is thrown off the New Jersey coast could end up on Ireland's shore. We'll have some fun learning about the Great Barrier Reef as we try to make some of its creatures in crafts. Since June is the Segway to summer we'll definitely have some fun playing water games!

Child Care Contractual Agreement

Terms and Conditions

1. The duration of this agreement starts from the date of registration and concludes on the last scheduled day of the KidsCare program for the school year during which the registration occurs.

2. This Child Care Agreement includes all information, rules, regulations, and policies included in the KidsCare portfolio, as well as in the Registration Form/Child Care Contractual Agreement, Student Emergency Information/Emergency Release/Student "Pick-Up" Authorization Form, "Day-Off" Program Information Registration Form, and any other program information and forms provided to the user by the provider during the duration of this agreement.

3. The user, by virtue of their signature on the front side of this agreement, certifies that he/she has read and fully understands the information, fees, procedures, guidelines, and regulations contained in the above mentioned program portfolio and other program literature, and agrees to abide by all procedures, guidelines, and regulations contained therein.

4. Attendance at and participation in any KidsCare program is a privilege, and therefore, the provider reserves the right to exclude any participant from any or all KidsCare program(s) for behavior deemed inappropriate by staff members and program officials. Further, the provider reserves the right to immediately remove and exclude a participant from any or all KidsCare program(s) who, in the opinion of program staff members and program officials, poses a direct threat to the safety and welfare of others in the KidsCare program. In such cases, all monies paid on a child's KidsCare account will be completely **non-refundable**.

5. All KidsCare monthly tuition fees must be pre-paid by the "payment due date" (1st of the month) shown on the monthly statement of account. A \$40 "late charge" will be automatically assessed to any account not paid in full by the 5th program day of the month for which the tuition fee was charged. All "Late Pick-Up", late payment charges, and returned check fees are payable in full upon receipt. All tuition fees and program registration fees are completely **non-refundable**, regardless of reason, except as herein provided. The provider reserves the right to exclude any participant from any or all KidsCare program(s) due to unpaid or past due tuition and or late "pickup" fees. Further,

the provider reserves the right to pursue to the extent of the law the collection of any and all outstanding user fees incurred at any time during the length of this contractual agreement. The user further agrees and understands that enrollment classifications can only be changed for the succeeding program month, unless otherwise indicated, and that an **enrollment classification cannot be changed part way through a program month**, and must be submitted in writing to the KidsCare office **prior to the 20th of the month preceding the month in which the change will become effective**, otherwise all billed charges are payable in full, regardless of reason.

6. The user, by virtue of their signature on the front side of this agreement, further understands and agrees that tuition billing is based on scheduled attendance, not actual attendance. Attending additional days/times, whether scheduled or unscheduled, is subject to extra fees in accordance with KidsCare policies, and further agrees to pay, in full, all billed tuition fees and charges for these program months. June tuition is essentially Free. Thus, changes/cancellations for June, will not be credited/refunded. User further authorizes KidsCare to make charges, if authorized under the Automatic Charge Card Payment Information section on the reverse side, against the charge card listed, and to be paid in full by that credit card company for all program tuition fees and charges billed for these program months.

7. The user agrees to indemnify and hold the provider harmless in the event that their child does not report to the KidsCare program on a day for which he/she is scheduled to attend. The user further understands that it is the responsibility of School District personnel to insure that the child arrives safely at the KidsCare program.

8. The user, by virtue of their signature on the front side of this agreement, authorizes the provider to make charges, as indicated in the Automatic Charge Card Payment Information section of this document, against the charge card listed.
