PUBLIC INFORMATION MEETING

April 25, 2022

Town of Chicog
Pat Wilcox, Chairman
W8499 WIS 77
Trego, WI 54888

Project ID: TBD
~~County K, County F -~~ WIS 77
Washburn County

You are invited to attend a Public Involvement Meeting regarding the proposed improvements to County K between County F and WIS 77 in the Towns of Chicog and Brooklyn in northwestern Washburn County. An in-person meeting will be held at the Washburn County Highway Department at 1600 County H, Spooner WI, 54801 on May 10, 2022 from 5:00-7:00 pm. Attendees should enter through the east doors to access the conference room on the east end of the building. Project representatives will be available at that time to discuss the proposed project and address any questions or concerns. Due to the COVID-19 pandemic, a Power Point presentation will also be made available to the public for viewing on the Washburn County website from April 26th through May 10th, 2022.

The proposed project scope includes the removal and replacement of the existing asphaltic pavement along County K between County F and WIS 77. No right-of-way impacts are anticipated, and all proposed work would take place within the existing shoulder points of the roadway. If the project is chosen, construction is anticipated for the summer of 2023. During construction, lane closures would be utilized to facilitate traffic through the project area. Access will be maintained to properties along County K.

The public is encouraged to review the proposed improvements at the following link and express any concerns they may have: <https://www.co.washburn.wi.us/departments/highway>.

If you have any questions or would prefer a paper copy of the presentation, please contact the design consultant for this project, Dennis Mack P.E., Cedar Corporation at 715-235-9081, or dennis.mack@cedarcorp.com. You may also contact the Washburn County Highway Department, Brian Daniels at 715-635-4480, or bdaniels@co.washburn.wi.us.

Sincerely,

CEDAR CORPORATION

Dennis W. Mack, P.E.
